SWEDEN 2008 - PAUL SMACZNY & MARIA STODTMEIER - 120 MINS)
Featuring LA Philharmonic conductor Gustavo Dudamel, El Sistema is a
film of great emotion and pathos. It depicts how a Venezuelan composer,
Jose Antonio Abreu, joined his passion for music with his desire to help
poor children find a way out of a systemic future of poverty and disap-
pointment. Begun in 1975, this revolutionary idea in music education has
blossomed into an inspiring social force that continues to change lives and
make magic, through music.
